On 5-24-2017 I was laying on my bed when I heard "Deon Hameton" voice. "I know his voice so well cause we child hood friends we been knowing each other our whole life" He saying I did nothing wrong I wanna talk to I.A and the warden once I heard that I got right up and come right to the door an I saw "Major Adam" walk "Deon Hameton" into the middle shower once they enter I saw "Major Adam" slam "Deon Hameton" to the floor for no reason while "he was in hand cuffs" then multiple C.O's run into the shower alone with "Major Adam" and begin kicking & punching on "Deon Hameton" I "do not" know all the C.O's name but I will be able to "positivity identify" everyone of them by photo I saw them so well an "everything" they did so well cause I'm in cell "seg A-12" which is right across from the shower everything happen in once they were ~~done~~ done kicking & punching on him "Major Adam" one hand on "Deon Hameton" neck an his other one in hair two other C.O's had "Deon Hameton" arms in the air and they were all dragging him off the wing why "Deon Hameton" was saying "why are yall doing this"... They were gone off the wing for about 15 to 20 minute's then once they return to the wing they open cell 11 door and "Major Adam" an other C.O's walked "Deon Hameton" in the room still why holding his hair & holding his arms in the air "still" handcuff once they was in the room I couldnt see "Deon Hameton", "Major Adam" and the other few C.O's that enter the room but it was still a few C.O's outside the room and I could hear "everything" thats going inside the room I was hearing "Deon Hameton" say "I can take my cloths off myself just take the cuffs off why are yall doing this"... then I hear some one say "we gotta cut them off"... then I saw C.O "D. Porter #8394" walk out the room leave off the wing -7

And come back with a Black <sup>3</sup>/<sub>4</sub> silver thing that ~~look~~<sup>look</sup> just like a "pocket knife" and walked back in the room and I start hearing cloths rip and "Deon Hameton" say "yall hurting me I can take them off myself" then I was pieces of cloths get threw out the room then they closed the door an "took the cuffs" ~~and~~ picked the ripped up cloths up and left off the wing this is "everything I saw <sup>3</sup>/<sub>4</sub> heard with my own eye's and ears"... I, John Hudson, K-52602, after being duly sworn under oath, depose and states as follows:

That, I John Hudson, K-52602 are the affiant in this herein affidavit and i'll be the undersigner.

On May 24th, 2017, around 9:00clock pm at count time.

I heard an inmate being beaten in the Shower area, stating, "help, help, the police is beating on me.

His silence was muffled for several seconds, until I actually seen this inmate handcuffed and being drug aggressively and handled by several correctional officers.

When the officers placed this inmate in Cell-11-on A-wing, several officers forcefully slammed this inmate on the concrete slab on to his face, and began physically assaulting this inmate, by putting their knees in his back, and forcefully cutting and ripping his clothes off with a shiney object.

This inmate constantly yelled "help, help, the police is beating me up, and cutting his clothes off, but never received the assistance of his request for help

In any fashion.

Even afterwards, the victim HUMPHREYS, requested several times that he would like to speak to p.r.e.a. and a crisis team member, even hours later his request was unanswered.

I, John Hudson, K-52602, observed this incident and "all" the correctional officers involved in this matter. and I'm more than willing to testify to these said facts in any Court of Law for the victim.

## Affidant

I Michael Smith R57000, Declare under penalty of perjury: I Have material information relevant to the about Cause;

On May 24, 2017 at around 9pm or 9:30pm, upon being in my cell in Segregation A-78 right over cell-11 I heard a bunch of voices, angry voices and heavy breathing coming from outside my cell but didn't see anybody. But still hearing someone calling out for help I stayed in the door and as I stood there I seen ~~an~~ inmate Deron Hampton being forcefully guided to cell 11. By 10 correctional officers and the shift Lt. They had inmate Hampton by his hair in upon entering cell-11 they very aggressively forced ~~the~~ inmate Hampton by ~~the~~ his hair down on the bed where they began to forcefully and aggressively remove inmate Hampton's clothes beginning with his pants. They pulled this man's pants down until they reached his ankles and left them there. Then they began to remove his shirt they forced inmate Hampton face down under his face was directly into his bed like they was trying to cut off his air. Then they ripped off his shirt until it wouldn't come off so one officer came up with a knife or something and begin cutting his shirt off and then his pants. This man was damn close to being rape but ~~not~~ was sexually assaulted by these officers. Then they stood

around while the Lt. was still holding his hair the officers stood around laughing and high fiving. Inmate Hampton was still face down in the bed and completely naked was these officers abuse their power. Then they left Inmate Hampton in his cell without a jumpsuit for a few hours and it was cold in these cells so I know he was cold because he asked the officer for his jumpsuit.

I, Michael Smith R57000, certify, pursuant to § 735 ILCS 5/1-109 that the preceding statement ~~is~~ here is true and correct to the best of my knowledge.
