

(Written Statement For Dean Hampton)

on 10-7-17 I Inmate (Graves M18164) heard Inmate Hampton ask the %o Miles & Sgt. Jones to not put him in the holding cage with all the other high level Inmates with a natural life sentence as well as Inmates with extremely high aggression levels, Hampton was told... "Shut the fuck up you Black Bitch" and was placed in the holding cage in North Infirmary. Then Inmate Wilson came in the cage with his hands cuffed to the front [Note: All Inmates that doesn't have a front cuff permitte has to be cuffed & secured to the back!] Then Inmate Wilson came in and attack Inmate Hampton, By Grabing a hold of Inmate Hampton hair and Banged his head on the wall then punched Hampton in the stomach and Hampton fell to the floor and Inmate Wilson began to kick Inmate Hampton repeatedly while Sgt. Jones & %o's as well as %o Miles standing around laughing... I Inmate (Graves M18164) felt If I didn't help Inmate Hampton he would be Beaten Badly due to the Sgt. & %o's Not stopping the Attack, they only watched and laughed [Please Note: Inmate Hampton was cuffed to the back while being attacked!] Inmate Wilson was Cuffed to the front for no reason as well as didn't obtained a front cuff permitte. I Inmate Graves felt this was a set up By Sgt. Jones & other %o's due to the PREA and Grievances filed By Inmate Hampton, Inmate Wilson had no Broken Bones or any Fractures in his hand, fist or arms so why was he cuffed to the front? Clearly this shows this was set up By Sgt. Jones and other %o's for Retaliation against Inmate Hampton...

Written Statement

I Woodard Charles # M40488 can testify on the behalf of Deon Hampton due to the fact that on the day of 10-8-17 Deon complain about an unknown black fly bitening Inmate Hampton on the hand he let the officer know that something bitten him and that he need a nurse to check it out before it get worse the officer ignore Inmate Hampton. Today on the day of 10-9-17 Inmate Deon Hampton complain about his thumb and wrist on the right hand being swollen on the morning shift Inmate Hampton asked c/o Cockrum to get some medical treatment due to the fact his thumb and wrist is swollen Inmate Hampton even show c/o Cockrum his right hand to prove their is in deed swollen marks on his hand. c/o Cockrum said "no I'm getting a nurse" then Deon Hampton asked for a Sgt. and a lieutenant again c/o Cockrum reply "hell no I'm not getting anyone" then stated "you are a fag" and walk off from Inmate Hampton cell. I Woodard M40488 stop c/o Cockrum and asked him to please get a nurse or some kind of medical treatment, he responded by saying "fuck that bitch I aint doing anything for him". I bear witness to the fact that this officer was being very unprofessional with the way how he handle this situation. I'd also bear witness the officer Becker also came to Inmate Hampton cell letting Inmate Hampton know that they wasn't doing anything for Hampton once Hampton stated

that he was having pains in his hand and a really bad headache. Overall these officer's show disrespect and unprofessionalism with their duty to serve and to protect. This is written to the best of my understanding and knowledge.

Charles Woodall M40488

On the evening of 10/8/17, I, Michael W Harris #Mozos6 was informed by the inmate in cell #205 that they had been bitten by an unidentified Black Bug or U.B.B this happened on 11-7 shift.

On the morning of 10/9/17 this same inmate informed me that his thumb + arm was swollen and they needed medical attention. I being in Cell #401 alerted the Y's to the problem the went to cell #205 and began to antagonize said inmate by calling them a fag + a dick eating nigger. Approx. an hour and a half later said person was found unresponsive in the cell. Officials went in their cell for 5 minutes before removing them and dragging them down the gallery with unnecessary force. Upon returning said inmate told me that they had been abused both physically + sexually

This I swear is true to the best of my knowledge
at the risk of perjury

I, Lornell Brown #m-30735, do hereby declare and affirm that the following information within this Affidavit is true & correct in substance and in fact's: on 10-9-17 I, Lornell Brown #m-30735 was talking over the Gallery about legal work then all of a sudden I heard a loud bang, which later I found out I/m Dean Hampton #m-15934 had fell out for I don't know what reason, me and a few other's started yelling & kicking on the cell door to get Dean Hampton help because when we called him he was not responding. After kicking for about five minutes, two-three officers came and beat on I/m Hampton's door which they got no ~~because~~ response. They called a Tach-Team & I Reared witness to them bring Hampton up to four Gallery Basically dragging him & calling him all kind's of bad names, about ten minutes later they brought him back on four Gallery taking him down the stair's in the same way they took him. But this time I/m Hampton, was crying stating that the Tac-team had beat him. Later that night two officer's escorted I/m Hampton to go to (prca) I saw his face which was swollen, he had a limp & his hair was rough. So I'm one hundred % sure the Tach-team beat him. Every day the porter & the R/o's, LT's, SRG and some nurses pick with this I/m. I don't know as of why But I've witnessed it. If need be I am willing to testify on this matter because it's wrong how they are treating this I/m.
